

Once You Get on to the MSU Campus
(or how to avoid road construction)

Construction is going on at the MSU campus. Here are suggestions from our university hosts on how to navigate around campus:

- ❑ If you're coming from around the state, plan to get on to 127.
- ❑ If you're north of campus, come south; if south, go north and exit at Trowbridge.
- ❑ Head east on Trowbridge through the light at Harrison.
- ❑ Stay on Trowbridge, turning right where it merges into Red Cedar.
- ❑ At the next light (Farm Lane), turn left (you'll be going north)
- ❑ Continue to Shaw and turn left
- ❑ Parking for the International Center will be on the right.
