

Fellowship Application Form

Application deadline: January 25, 2010

Please complete this form and fax or mail it to us with a copy of your curriculum vitae and a letter of support from your nominating supervisor or academic department chair. A separate form, copy of your CV and nominating letter are required for each seminar for which you are applying. This form may be photocopied. If you fax materials, please call us to verify receipt.

SUPERVISOR'S E-MAIL ADDRESS

I have previously attended an API seminar.

There are no admission requirements for API seminars. Experience suggests that those who get the most from API are those professionals who are willing to complete the advance preparation, who are open to new ideas, and who enjoy sharing their own experiences. We encourage cross-training and do not restrict attendance based on job title, although we do ask you to consider carefully which program(s) will best meet your needs.
